SCREENING: Most dogs do well in a boarding facility, even those who have little to no experience with boarding. However, some dogs may suffer from anxiety separation. If you are not sure whether your dog will do well being boarded, we recommend you schedule an appointment to visit Wuff Da Kennel with your dog prior to your Check In Time in order to evaluate how your dog may cope with a boarding situation. We recommend you let your dog stay for 1 - 2 days. This will give us an idea if your dog will need medication while staying at Wuff Da Kennel or seek another option for your dog.

HOURS: In order to create the most calm and peaceful environment for your dogs, we have chosen the following hours for check-in and check-out. Please respect our hours as we are busy taking care of your pets.
